

**CONVENIENT, AFFORDABLE URGENT CARE COMING TO MILLBROOK!**

*MainStreet Family Urgent Care to Open February 2018*

**FOR IMMEDIATE RELEASE**

December 28, 2017 (Millbrook, Ala.) – MainStreet Family Urgent Care will soon welcome a new urgent care and family care clinic to Millbrook. Maxus Construction has broken ground on a new medical facility, which will be located across from Walmart on Hwy 14 in Millbrook.

“We are excited and grateful for the opportunity to serve communities like Millbrook, Autauga and Elmore counties,” stated Chief Executive Officer of MainStreet Family Urgent Care, Sam Eskildsen. “We consider our staff and our patients as one family, and in a time of need we help get our family members feeling better, fast. Our hope is that offering patients the convenience of shorter wait times and same day appointments with trained, certified providers will make healthcare accessible to everyone near Millbrook and the surrounding area.”

The 3,200 square foot facility will feature multiple exam rooms, on site lab testing and X-ray capabilities. The clinic will not only provide treatment for everyday illness like flu and strep throat, but also perform a number of diagnostic tests, and even minor procedures, such as suturing and foreign object removal. Furthermore, the clinic delivers a choice of occupational health services such as worker’s compensation management, pre-employment drug testing and DOT physicals.

Open seven days a week with extended hours, MainStreet Family Urgent Care aims to make healthcare easier for patients. The in-house Pharmacy carries several commonly prescribed medicines to save patients the time of having to make a trip to the pharmacy.

“Not only will the state-of-the-art clinic in Millbrook significantly advance the delivery of quality and efficient health care services to patients,” said MainStreet Family Urgent Care Medical Director, Timothy “Timbo” Taylor, M.D. “But we also hope the convenient services and friendly staff will make the entire ordeal of being sick or injured a much more pleasant experience.”

When doors open this February, MainStreet Family Urgent Care will host a Grand Opening Event for the entire Millbrook community.
